

Wow – where did the summer go? As we look at the upcoming fall season, it reminds me how much I have to be grateful for. First, my family and friends (like you!) And my community - the past few months have been difficult ones for the Dayton area. And my country - as we approach 9/11 I think of how blessed I am to be an American!! Let's all remember that simple acts of kindness can make a difference.

Call ASAP to see if there is a "last minute" special available!

Did you know that in addition to taking local folks to exciting destinations outside of Dayton, I also host many groups that are visiting Dayton from outside the area? I LOVE showing off my hometown! These groups are often military reunion groups that want to see and hear about our aviation history. But there are also tour groups (just like Bee On the Go) from various cities that come to Dayton just to explore. There are dozens of places we can go. So, if you are involved in hosting a group in the Dayton area, let me know if I can help provide local tours.
